AMENDMENT D AND RESPONSE TO FINAL ACTION

Sir:

This amendment for the patent application identified above is in response to the Office action dated February 10, 2006, which set a shortened statutory period for response that expires on May 10, 2006. A substantively similar Amendment and Response were originally submitted within a two-month period of time in which to respond. However, because this application was unintentionally abandoned, this amendment and response are resubmitted along with an appropriate Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 3.137(b), Declarations, and fee.

Amendments to the claims begin on page 2 of this paper.

Remarks begin on page 24 of this paper.

Kindly amend this application as indicated herein.
